Lee County, Florida

Lee County has the largest population in Area 8. Its largest cities include Cape Coral, Lehigh Acres, Fort Myers, Bonita Springs, North Fort Myers, and Estero. Its county seat is Fort Myers.

The cost of living in Lee County is slightly higher than the state average. Lee County has a primary health care shortage for its low-income populations in Bonita Springs, Fort Myers, Cape Coral, North Fort Myers, and Lehigh Acres. Lee County also has a dental health care shortage and a mental health care shortage for the low-income population. In 2018, the City of Sanibel was recognized as a Healthy Weight Community Champion. In 2019, Business Insiders ranked Cape Coral 24th out of the 50 happiest cities in America. The climate remains warm year-round, with a high of 75 in January (low of 54), and a high of 92 in July (low of 75).

Health Planning Council of Southwest Florida

The Health Planning Council of Southwest Florida, Inc. is one of eleven local health planning councils in the state of Florida, serving the counties in Area 8: Charlotte, Collier, DeSoto, Glades, Hendry, Lee, and Sarasota. HPCSWF works to increase the availability and accessibility of data regarding health needs and services within the region. Of particular interest to the HPCSWF is to improve access to health care for persons with limited financial resources and to reduce disparities in health status. We offer data subscriptions for hospital and nursing home utilization reports, planning and implementation support for agencies, counties, and health departments across southwest Florida, and are available to conduct community assessments as requested.
