About Health Planning Council of Southwest Florida

The Health Planning Council of Southwest Florida, Inc. is one of eleven local health planning councils in the state of Florida, serving the counties in Area 8: Charlotte, Collier, DeSoto, Glades, Hendry, Lee, and Sarasota. HPCSWF's primary focus is to improve access to health and education for persons with limited resources and to reduce health disparities in our community.

HPC's Health Planning team works with local hospitals, health departments, FQHCs, and other health-related organizations on a variety of planning projects such as strategic planning, community health or topic-based assessments, program and project planning assistance and evaluation, education and outreach, organizational and administrative services, managing networks, and meeting facilitation.
