Get Informed

Diabetes Self-Management Education and Support (DSMES) : helps people with diabetes learn how to take the best care of themselves.

DSMES helps clients:

1. Know how to manage their diabetes which will help avoid or delay serious health complications,
2. Save money and time (fewer trips to the hospital)
3. Know how to properly take medication and monitor blood sugar
4. Overall live a healthier life with diabetes (CDC).
